

Population Association of Pakistan 10th Election Result Announcement

December 06, 2018

Dear PAP Members,

According to the provision in the Constitution of the Population Association of Pakistan (PAP) held its 10th Election on November 30, 2018, during Nineteenth Annual Population Conference titled "**Population and Development - Policy and Programme Implementation Challenges in Pakistan**" held on November 29-30, 2018 at University of Peshawar, Peshawar.

Before announcing the results of the 10th Election, I would like to share with you the entire election process. First, the list of all the registered active PAP members with brief descriptive information was sent to each PAP voting member, with the request to nominate one person for each elected office. After receiving the nominations, all those persons nominated by two members or more, for any position were personally contacted and their consent to contest the election was taken. If nominated for more than one office, the candidate was requested to choose only one to contest.

A ballot paper with all the candidates was forwarded to every PAP voting member through courier services and email as well. Voting Members out of country were sent Electronic Ballot Paper so as to involve more and more members in electoral process. All ballots had to be received at PAP Secretariat by November 23, 2018.

As Chairperson Election 2018 Committee, I supervised the counting of votes along with Dr. Johar Ali, Dr. M. Sarwat Mirza, Mr. Tahir Ahmed Qureshi, Mr. Amir Naseem and students of University of Peshawar assisted us in the electoral process.
